Dirt 3 Steam Codes CAR JACKED!

Sony finds its scruff Mc Gruff

Halo 4 loses its voice

Games

SONY TAPS HOMELAND SECURITY FOR PSN SECURITY HEAD

•US National Cyber Security Center director Philip Reitinger brought in to fill newly created chief information security officer position at electronics giant.

DIRT 3 STEAM CODES STOLEN

- approximately 1.7 million Dirt 3 Steam download codes were lifted from developer [Codemasters](#)' servers The studio is now working to block those with stolen keys from accessing the game
- second major hacking incident
- In June, the studio announced an unauthorized intrusion on its network and the theft of thousands of registered CodeM and forum users' names, email addresses, phone numbers, dates of birth, passwords, IP addresses and Xbox gamer tags

HALO 4 LOSES NARRATIVE DIRECTOR

- Halo 4 Narrative Director Ryan Payton leaves 343 Industries
- I wasn't creatively excited about the project anymore...The Halo I wanted to build was fundamentally different, and I don't think I had built enough credibility to see such a crazy endeavor through
- *Armando Troisi was hired as the Halo 4 narrative director in March, having formerly served as the lead cinematic designer on Mass Effect 2.*

DEAD ISLAND

- Zombies
- With class rank up system
- Steam version bugged!
- PC X360 ps3
